Dues Refund Policy 2009

Subject to the approval of the Board of Governors, a member's request for a refund of dues, where there are extenuating circumstances, will be based on the last day of golf played. All requests for refunds must be in writing and submitted to the pro shop.

Requests for a dues refund for reasons of impaired health or disability must indicate the initial date of impairment or disability and the last time golf was played. A doctor's letter verifying the inability to play golf because of health reasons must also be submitted.

Member's who resign under this policy may NOT play as a guest. They may be remitted as a member under the pro-rated dues policy.

Refunds approved by the Board of Governors will be made as follows:

<u>Last day of golf played</u>	<u>Percent of Refund</u>
No golf played	100%
March	90%
April	80%
May	60%
June	40%
July	25%

No refunds after July 31st.
